“ *Aunty Lila I will miss you so much it was one of my wishes to bring my wife and two children to see you. I tell them what a wonderful lady you were and how you made me feel the first time that you visited us here in England. I tell them of the fun times we all had and how welcome that you and all your family made my Dad and I feel the very first time that we visited you. Aunty Lila I will miss you so much that words cannot express exactly how much but I know that you are now Dreams now*
