“ *My deep sympathy for your loss. Lila was one of the best! I always loved bumping into her. I am so glad I saw her and Freida at the lab about 6 weeks ago. Lila always had a beautiful smile and was always so easy to talk to. My heartfelt prayers. Vickie Francisco*

Prayers and sincere condolences for Lila's family. Kathy and I, along with our daughters, have shared wonderful times with Lila and Lee. I remember always chatting with Lila, and trying to keep our voices down in study hall, during our time at BBCHS. As neighbors, she would keep an eye out for the safety of our children at the bus stop near her house. Lila was one of the most kindest loving people I've ever known. She will be missed, by many, who have cherished memories of her that will live on!
