“ This is from our heart's. To our great grandmother. We truly will miss you and always carry you in our hearts. But we know that you are not in pain anymore. And that you are with grandpa now. And that he was waiting for you with open arms. We are sad that we can not be there. You were a very special lady and you are with Jesus now so we know you are happy at last. May God keep and bless the rest of our family.
