“ Aunt Linda has a deep passion for baseball. She was always game for a trip to the ball park and close to 45 years ago took me and my cousins to my first ever game at the old Comiskey on the Southside. In the photo, a few of us went up to the newer U.S Cellular field to celebrate my Dad's 70th birthday.

“ I came to know Linda when I worked with her at Bradley Roper. We became good friends, however, we lost track of each other after Roper closed. We then ran into each other numerous times throughout life and we would pick up like we had seen each other just a few days ago. She was a wonderful person and she will be greatly missed. My heart is so broken... Sending hugs, love and prayers to all of you. I will always keep your Mom in my heart and in my thoughts.

“ Aunt Linda and I would frequent a restaurant called Carlos in Kankakee. It was always just the two of us. I would tell her all my problems and she would listen and then always had the greatest advice. I only wish we could have stayed close after I moved away...she will be missed
