Dear Linda was my "fitter" at Riverside in 2005. Her kindness and comfort will never be forgotten. God bless her family during this sad time.

*Kelly and family,
I worked 3rd shift for many years and got to know Linda stopping by Meijers at 6 am. I believe the first time I met your mom the Bears were at ONU training camp and Linda was wearing a Bears sweatshirt. I asked her if she was a fan and she said "I don't know about that." I would always go to her aisle and she would always say "hello Robert" when she saw me. In the few minutes we were able to visit she would ask me about my work at CSL. I noticed she was absent a few weeks and she told me that you, Kelly, had taken her on a cruise to Cancun or some location similar to that. I retired in May of this year and did not get to visit with her again. She was truly a wonderful lady and my deepest sympathies on her death.*
