“ I am so sorry to learn of Linda's passing. My father Paul Durbin and Linda's father Bob Richmond were best friends from about 1923 until their passing. I remember first meeting Linda when she was seven and I was five around 1947 and finally around 1965 prior to my family going to San Francisco. I remember Volney as well at that early age. Time and people go much too fast. Tom Durbin

“ Linda and Volney had many friends and Jerry and I were lucky enough to be included in that group. She will always be remembered and I think she is having a reunion with Volney, who has been waiting for her to cross over.
