“ My thoughts and prayers go out to her family. Linda was a grand person. She took great care of my little dog during his "spa days". I often thought of her even after my dog's passing. She had a big heart and I always looked forward to our visits. She will be sadly missed.

“ Hi! I met Val's mom the first time when i was over visiting her daughter, and later, I went with Valerie to her moms house and got to know her better. We had the best conversation! She was so knowledgeable about plants, and gardening...she read me some of her poems & she told me how the chemo made her give up journaling because it caused nerve damage in her hands.. ( and also affected her feet)..she gave up a lot...to stay alive for her family, but the cancer still took her...

“ *I was Linda's nail technician for many years and she was one of my all time favorite clients. Always cheery, had the funniest stories, and just a delight. She loved her kids, and I got to meet one of her granddaughters. She and I both went to St. Joes and I remember my hubby and I ask her to lunch after mass. I will miss her. My life was blessed with her.*
