“ *We were very sorry to hear of Lionel's passing. He was a very good family friend and we enjoyed many good times together. I can always see Lionel and Delores, my parents, the Guimond's and the Reardenz's going out to party when they were younger and then later just doing dinners together. He was a big help to my Mother when my Dad died and I will always be grateful for everything he did.* ”

“ This may be a repeat, We have many great memories of your father/ grandfather. I remember him teaching Scott to tie a tie for his confirmation when Don was busy farming. We recently ate dinner with Lionel at Anthony's. We laughed and talked about the past. It was apparent that he was struggling at the time. Our thoughts and prayers are with you all. He will be missed.

“ We send our sympathy to Lionel's family. Sorry we cannot attend the services, as we are away at this time. He was one of the many Lambert cousins and I enjoyed talking to him whenever we met.

“ He will be sadly missed. I new Lionel as a friend neighbor and coffee buddy. The funniest thing I remember is hiss cell phone he had one just like mine and I would try to help him with his but he was pretty stubborn. He would tell me to shut up because he knew how to work it. Again I will miss him each morning my deepest sympathies mike palmateer

Someone who told it like it was. If he liked you, you were is greatest friend and he liked us. We will miss "Joe" at McDonalds and hearing all his stories. One thing is for sure he is with his Delores now and that is what he wanted. Without a doubt one of Sonny's oldest and greatest and truest friends. God Bless.
