“ Our sincerest condolences go out to Mike and your family. Lisa stepped forward 17 years ago when my Tricia was so damaged by a traffic accident. Lisa organized members of Maternity BVM Parish to provide much appreciated and needed meals for the then 7 year old son, 4 year old daughter and husband, while Tricia lingered in the hospital for over a month. And after that when she was able to finally enter her own home. Lisa understood this need because besides being a fighter, going through her own miracle of surgeries, she clearly understood the need to provide for the family while recovering. Lisa showed concern and love by putting a plan into action. We shall never forgot that act of love. Jesus is loving you now Lisa.
Bless you,
Dave and Bernie Hansing

“ Mike I am thinking of you and praying for you. Heaven got another angel, one that should have probably arrived there decades ago. But it seems as if she was left here till now to fulfill her purpose. She helped so many people.

Be well my friend.

“ I had the pleasure of being the Kick's neighbor many years ago on Harvard. Lisa was one of the first neighbors I handed out my Riverside Babysitter's certification card to and she was the first person to trust me enough to watch Jenna for a few hours when she was a baby. I was so very proud....
She was an amazing woman who fought long and hard, all the while smiling. I will never forget her.
My deepest sympathy to the Kick family.
Sincerely,

“ I have never known of a story where someone fought so hard to defy all odds to continue to be here on this earth with their family. I think Lisa's story inspired a lot of people to realize your story is over when YOU say it is over. I didn't even know her, but I know some of her family, and her strength still warmed my heart. Rest In Peace Lisa, and to her family, may God bless you in this time of saying good-bye.
