“ My deepest sympathy on the sudden death of your wonderful Dad and Grandpa.

He was always so happy and fun loving!

I think of him and all I can do is smile.It seemed he was always there willing to help or bringing a chuckle to the situation.

May our prayers, love and hugs be with you all!

The emptiness of the loss of a father is a big one as I too know I can't lie and say it will be easier with time but you will adjust to the songs and the various reminders that seem to pop up out of nowhere.
½Just hold tight to all those wonderful memories, and when those unexpected feelings come try to smile and be thankful that you had such an awesome Dad to experience those special times and memories with!

May God hold you all and help you on your journey with this time of sorrow.

Hugs!
