“ I had the pleasure of helping Logan for 1.5 yrs as his assistant in school a few years ago. It was such a wonderful experience to witness Logan's joy with the simple things life offered- Barney, walking, being outside and especially food! He (who am I kidding..WE) liked to snack throughout the school day. Logan was happy even when he was visibly hurting and would light up every place he entered. Everyday was an adventure in his eyes and he treated it as such when we walked daily. May his soul rest in peace as he sits at the banquet table with the Lord 🙏❤️
