“ Dear Wally and family, It was with great sadness that I "happened" to come across Lois' obit this morning. I am sorry we never got to know her on a personal basis but want you to know that we sympathize with your loss. After 58 years of togetherness, it will leave a large void in your life but we're trusting that the good times and memories will comfort you in the days to come. Lloyd and I celebrated our 65th in April. Lloyd and Jeannine Verhoeks, Sun City West, AZ

“ To Wally and Gagnier family, I greatly admired Lois and truly miss being there to share in the celebration of her life. She was a kind and caring person that will be missed . At this time it is important to focus on the fun times and to remember all of the great events in your lives . The Good Lord is at her side .

“ From an unknown author: "I could not stay another day to love, to laugh, to work or play; Tasks left undone must stay that way. And if my parting has left a void, then fill it with remembered joy...Perhaps my time seemed all too brief. Don't shorten yours with undue grief. Be not burdened with tears of sorrow. Enjoy the sunshine of tomorrow."

“ I have lots of good memories of Lois and Wally when they were neighbors to my parents-Jack and Vera. They were fun and good hearted people. I had not seen either of them for quite awhile and then last year I saw them while Lois was at Miller Rehab Center. We had a couple of good talks then and remembered old times. You all have my sympathy and I hope things will go well with all the family.
