“ I just heard about Lois and my deepest sympathy to the family. I knew her from the hair salon she went to for many years and got to know her a little better when I gave her a ride a few times. I enjoyed her company. I retired to Florida but when I was home in Dec. Lois happened to be at the shop when I stopped in. It was a nice surprise to see her. I will always remember her fondly. “ Our sympathies to your family. My mother Laura Collette Smith was a sister to Uncle Jerry. We spent time together as kids but as time went by our families grew apart. The last time i saw Lois was at my mother's funeral.

“ *It funny how when you meet a person for the first time, and you know that they are a great caring person, with live for everyone. This is how I felt the first time I met Lois. Than working with her granddaughter Kate, and meeting her daughter , was great also (I know now where they got their kindness from). I am so sorry for your loss. Lois will surely be missed. Wish I could be there with you. Just know I will be thinking and praying for you all.*

“ I sure am going to miss hearing her call me by her and my grandmother's nickname for me; AmbereenieHoney. You are missed so much already Auntie Lois. No family picnic out at the woods is ever going to be the same. You are reunited with Uncle Wayne and Yvonne now. I'll never forget sitting in the trailer watching you and Yvonne play yahtzee. I love you and will miss you dearly Auntie Lois.

“ I was just thinking about Lois the other day as I passed a shelf of romance novels in a store. Lois was the best next-door neighbor a family could hope for. I was always impressed by how close-knit her family was. Condolences to the Hanson family.
