“ My first and certainly one of my very favorite teachers. Mrs. Harrison was a beautiful person & wonderful, kind teacher. I hang the ornament she gave to me in kindergarten on my tree every year (now over 30 years) & will always remember her welcoming spirit and laugh. Prayers to her family.

“ I am so sorry I missed saying good bye to my cherished friend. Lois was two of my children's and granddaughters kindergarten teacher and I worked with her when I was secretary at Saukview. Her and Dave would come into the Egg and I and we would try to catch up. It was great to see her. What a wonderful teacher and friend. Her room was close to the office so we would share stories always. Her humor was appreciated after a stressful day. She was a special lady who will be missed. To Dave and her children my heartfelt sympathy.

“ Mrs. Harrison was an awesome teacher, and an awesome woman. She was the kindergarten teacher for 7 of my children. I have many memories (in the form of Crafts, that my children made in her classroom), as well as memories of how great she was with my children. April cried about kindergarten. Not on her first day, but on her last day, because she didn't want to leave Mrs. Harrison! She went above and beyond, to find things for Angela to do, because was so bored in class. She had such patients with Matthew , she amazed me. She touched many lives. Thank you Mrs. Harrison, for the fine example of what a great teacher is. Love and prayers for her and her family.

“ *Truly a beautiful lady inside and out. She taught my brother and then my two sons. I was a classroom helper for Mrs. Harrison and she was always so wonderful. My children adored her. Rest in peace... You're an angel in heaven now. Kelly Wagner-Browne*

“ *Lois had such a wonderful impact on my family. Deb and Lois started teaching at District 194 the same year. Deb always enjoyed teaching with her and I enjoyed getting to know her the years before she became my daughter and son's kindergarten teacher. They both remember her as one of they're favorite teachers. I remember helping her in the classroom when the kid's were in her room. We are all so sad at her passing. She left her legacy on so many people and will never be forgotten*

“ It seems like only yesterday that we were playing dolls and games "uncle wiggley" together going to grade school and on to high school at the convent- with Saturday night dances - I feel so blessed to have shared my childhood with you - a special part of my heart left with you today but I know someday we will be doing all that together again - I know your wonderful parents are rejoicing with you in heaven - my deepest sympathy goes to your loving husband David and your children and grandchildren who I know you loved very much as they do you - Rest in Peace my dear friend - Donna

“ Sending prayers to the whole family, friends, and all of her students. She had a loving passion for her students and she taught them well. My son love having her for a teacher. He mention how scared he was when she fell off the crate in class and he help pick her up. Since then she started her leave towards retirement from teaching. She will be greatly miss by many. Thank you for supporting her love for others.
