“ *Lola was a great nurse to work with, and had a wonderful sense of humor! I remember one time when she was recuperating from surgery on 2 West, her roommate was another St. Mary's nurse. They (with help, I think) rearranged their room to have their "bedroom" on one side of the curtain, and their "living room" on the other half of the room, where they entertained their visitors! She sure enjoyed life!!! My condolences to her family!*
