June 17, 2020,

*To the Family of Lorelei Grabow,*

*It was with great sadness that we recently received word of Lorelei's death and wish to express our deepest sympathy to you and your family. The Associates and Sisters of the Congrégation de Notre-Dame are grateful for her life among us during her 30 years as an Associate.*

*As a true friend of Marguerite Bourgeoys, Lorelei was known for the love she had for her family, her faith, God, Mary and Marguerite. The mission of Jesus was given life and deep meaning through her fidelity to the Gospel. We give thanks for the witness of her life and the many ways she enriched the lives of others in the Associate community.*

*May the many messages of love and sympathy you have received be a source of comfort to you. May you know the love of God made visible in your friends and family, and especially in the Congrégation de Notre Dame of which Lorelei was an integral part.*

*Blessings of comfort and consolation,*

*Anna Rowley

“ *It doesn't seem like 55 years or so since Lori started teaching at Manteno High. I remember her having supper with us one night ( my Mom was also a teacher there ) and showing me how to blow smoke rings! I always wanted to catch up with her and say HI! She was a wonderful person and left many lasting memories for us.*
