“ *Tom and Steve your parents were neighbors and good friends. We met them in Kissimmee, Florida years ago and had dinner with them. They were dear people.*

“ *As Chairman of the Manteno United Methodist Swiss Steak Dinner for many years I always contacted her. I learned to look forward to her reply which was always a lovely letter and many memories about the church and the annual dinner. Although I never met Lorene I knew she was a loving and caring person who loved her church and Manteno. I certainly would have liked to have met her. My husband, Sonny Manker, did know her and assured me she was just as nice as she seemed in her notes. Phyllis Manker*
