“ I remember one time she said she hadn't gotten married because she had enough trouble darning her own socks. I'm glad she had relatives living close enough to visit and help her and other family keeping in touch with her. She gave me some of Grandma Hendrix pudding cups when I got married. She said she thought I would like to have an heirloom. I use them for special things, and I always think of Aunt Loretta and Grandma Hendrix when I do.##imported-begin##Brenda K.
