“ I had the pleasure of serving Loretta and her family here at Miller Healthcare some time ago. The passion and joy she found in her family was truly inspiring. She always knew how to take a joke and give one right back! As a social worker, i see many families and how they act with their loved ones... Family was always first with Loretta and her spouse. Tracey, Callie and Jamie... My heart goes out to you three. You were loved so deeply by Mom and Dad, and still will forever be loved and graced with their presence.. Thinking of you all during this time.

“ Callie & Gary, so sorry to hear about your mom. I'm sorry I won't be able to attend the funeral, because Mary & I have been exposed to Covid. I hope she will make a angel in the snow for me in heaven. When we were young we used to do that when we lived as neighbors & had snow in the yard.

“ So sorry for your loss. I cannot say I really knew your mom, but I am sure she was wonderful because of the type of people she raised. Hearts are with you all.
