CS

“ To Lorine Ader family, I worked with Lorine for a number of years at the Central Community Hospital. I was a young nurse and she was a CNA that worked under me on almost any shift but a lot of midnight and days. Her picture is beautiful, never changed much over the years. She was one of the best people to work with. She surely love all her children and spoke of you all the time. We had a lot of laughs together. Barbara, I see that she lived with youi her last years. I understand because I am caring for my mother who is 97 but I am at her home with her. You have my sincere prayers and I have no doubt that you mother is comfortable and laughing in heaven. I have thought of many of the things that we experienced working together. She truly was a wonderful and caring CNA. My prayers are with all of you. Laugh a lot and remember all the good times.

Sincerely,

*Cheryl Street, RN*
