*Laura and I are so saddened to learn of the passing of your mom. During our 3 short years in K3 both your mom and dad were the BEST of friends to us. They helped us in many ways during a time when we had no family of our own and we speak of our good times together regularly. Lorna was a tremendous spirit filled lady and we miss both of them terribly.*

“ *"Lornie" was my best friend throughout grade school and freshman year in high school. She was always adventurous and sometimes michievous getting me into some crazy situations, but always fun and everyone loved to be around her. She could bring up anyone's mood. I still tell friends about some of our adventures together. Doing our homework up in a tree, skating at rink in Bradley, also hanging out at my family's place at Indiana Beach in water and at skating rink there. Great times. Each friend we make in our life leaves something in our heart. Remember, when you lose someone you love you gain an "Angel" you know.*
