“ There were always great memories I have of grandma . She was a loving and caring person who always would help any of us . She always called me Pooh Bear . Since I was a kid . We always had the family dinners on sundays and holidays . But now god has taken her to be with great grandma and great grandpa and other family and friends. I'm sure they are rejoicing up above . We will always have great memories of her . And on Friday may 4th will say our good byes . But it won't be good bye cause I know u will be watching over all of us. Like u have. And we will see u soon we all love u and will miss u grandma

“ I have so many memories but I used to always go with my grandma any place I could and we used to have a song me and her would sing we called it grandma and Krissy go bye bye see till the day she died she always called me her angel number 1. she was the most caring and loving grandma and I'm going to miss her so much i regret not spending more time with her when I became a adult. but I will always have great memories of her. i know she is not lonely and in pain and she not so tired she is with angels now and I know she is a angel that will be checking on me from time
