“ I could go on all day about my Grandma and everything good she did in the world. But the world already knows what a treasure she really was! I have a childhood and lifetime of memories to share with my kids, and they as well have quite few with Grams.....we are all missing her terribly every single day. But knowing she is in a better place, with no pain and not missing Grandpa anymore.....that keeps me going<3 Until we meet again and we will doody doo on that same swing.....I love you Grandma.

“ *My Dear Friend Lottie,  
One of my very favorites. I loved working with her at St. Anne Rectory for many years. She was so devoted and faithfilled. We would have some great times together filled with laughter. She was a hard worker all of her life. Even as her health began to fail she still wanted to come and do her part for the church. She was often concerned about her grandchildren and her family meant so much to her. I know that Fr. Lund will welcome her into paradise because he thought so much of her. Well Lottie, you fought the good fight and now you are among the saints in the heavenly kingdom. God's peace forever. You were an awesome addition to the world. I'll keep you in my heart always.*
