“ Lou was member of the Farm Bureau and came in every February to counter to pay his membership dues so we all got to know him. He knew I attended YMCA daily telling story of how he built the walking track board by board when the original working crew threw up their hands on too difficult a task!

“ Our thoughts and prayers are with you all during this difficult time. Dad always talked about Lou, sharing stories of work and life in general. He said Lou always teased him about not being Italian. He was a great guy always having a smile on his face. He will be missed by all who knew him. Tj Holmes and Debbie Eilts
