“ I was a close childhood friend of Diana Pilarski, "Grandma Weez's" granddaughter. I fondly remember her jolly spirit and hearty laugh. I wish to express my sympathies to the whole family, especially to my freind, Diana, and to her sweet and loving mom, Gloria. May you find comfort in the closeness that you share with eachother.

Love,

“ It's been so, so long... yet I can still remember David, Danny, Dolores, and I visiting at the old house north of Bourbonnais, and especially "Googie" and Nancy being there. ĩ½Louise had a long life with lots of grandchildren and great-grandchildren who will keep her memory alive, as will I, and now she joins Bert and Jimmy... ĩ½So, my condolences to John, Gloria, and Nancy.

“ Dear Family,

I want to extend my deepest sympathies. I remember your mother and your dad, Bert, when he used to deliver the milk to our house on River St. many, many years ago. I always thought your mother was a very pretty, classy and kind lady. My heart goes out to you. After losing my mom this past year, I can relate to what you are going through. No matter what their age, it still hurts losing the dearest person in your life that has always been there for you. God bless you all.

Love,
