Nana, how I miss you so much. I am lost without you in my life. I will always hurt and miss you more than anyone will know. Tina, the kids and I are so grateful for having you in our lives. You took care of us as we tired to do for you. I am so sorry for not being their on your last day. You did not deserve that. I am so sorry we did not visit more. You loved life so much. We will honor your last wishes and and never forget. You were there for me and took care of me like a parent. Some of the best memories in my life were with you. I know this is true of Tina and the kids as well.

You loved our children so much. They love you. We will NEVER let anyone forget you. You memory will be with us until our demise. We all are so grateful at least for our last visit together. I will see you in Heaven with Papa. I know you are at peace now with him. I have all your stuff in my living room as we cannot bare to deal with it yet.

Forever with Love
Brandon, Tina, Haylie, Mckenzie, Ashlie, Brando and MOM

Mom was so grateful for the last several weeks of communication with you. No more suffering Nana
