Linda , don't know if you remember the Hertzberg name. I'm Donna, Imelda's daughter. I have nice memories of your mom coming to visit and drink coffee with my mom through the years. She was a wonderful, friendly person to our family. I live in Tn for years but wish I could have seen her again. So Sorry for your loss. I loved how she took such good care of animals! I do the same. Well, God's richest blessings to you and your whole family, Prayers, sincerely, Donna
