“ *I extend my sympathy and prayers to Aunt Louise's family. She was a wonderful person, always kind, friendly and loving. I remember playing at their house with Linda, and I remember many family holiday gatherings when we were young. Aunt Louise was full of energy and enjoyed planning events to get the families together.

“ I would just like to let the family know that they are in my thoughts. Louise was a very nice person to get to know. I enjoyed her smiling face every time she would come into the office when I was there. I left there in 2004 and I still remember that smiling face. God Bless you all.###imported-begin###Deanna Marcotte###imported-end##

“ Our deepest sympathy to the family of Louise Zullo. Rudy was Tom's scoutmaster and our shop was across the street from Steve Lin Optical for years. We were fitted for many pairs of glasses. Loved Rudy and Louise and now they are both gone but not forgotten.##imported-begin##Tom & Anna Goodberlet##imported-end##

“ Dear Steve, Linda, and Allan, <br><br>We certainly have many memories of our family being together. It's amazing that they are now all in heaven and once again playing cards, goofing around, and enjoying each other. Heaven must be like a party land right now. The most comforting thing about them all being in heaven is they no longer have any suffering. I like to imagine them all young and beautiful again. We have to somehow stay connected. They taught us the value and gift of friendship. They would want us to stay connected. All our love and prayers, Marybeth & Irene.##imported-begin##Marybeth Clements##imported-end##
