“ I was surprised when my Mom said she saw the obituary in the newspaper. I have not been in contact with Butch for many years but I went to high school (Class of 60) with him and as Beverly's brother saw him often in their home. We had a lot of good times together and he was always ready to go anywhere and do anything. May God bless him and all his family##imported-begin##Sue Ann Fraher Schwaller##imported-end##

“ To Lyle's family -- you have our prayers and sympathy at this time.

Years ago, I (Nat) worked with Lyle in the
Accounting Department at General Mills. ¶½Although, I have not
seen Lyle in many years, I have a lot of pleasant memories from the
time we worked together.##imported-begin##Natalene & Ralph
