“ I am so sorry for your loss. I always enjoyed being with your mom. She was so easy to talk to and she always made me feel like she was very interested in what was going on in my life. I loved when my mom and I would meet your mom and auntie Pat down town to shop for Christmas. We did more visiting and talking than shopping but that was great. Your mom will always have a special place in my heart. God bless all of you and please know I will have all of you in my thoughts and prayers. I can just see your mom and my mom catching up on old times.

Your cousin,
Carolyn
