“ *Hi family... I just wanted to say that I really loved dear sweet Aunt Madeline. I hope you all are ok. She was a wonderful, faithful woman of the church and I know that she passed that on to all of you. I will always remember the fun that we all shared out at the farm, playing in the barn and all. I have fond memories of her wonderful cooking and her lovely smile and laugh. I loved to hug her and remind her that she was a shorty...I'm not that tall, but I always felt very tall around her. We always tell my sister Lisa that she gets her lack of height from Aunt Madeline. She just laughs....and says "that's right and I am proud of it" I will miss her dearly and I hope to see many of you at the services. Take good care, Llori*###imported-begin###Llora Kranich###imported-end###

“ I was saddened to hear about the passing of Madeline. I believe my last contact with her was in 2000 at my wedding, but I have many fond memories of her. It seemed like she was at every event held by our family, faithfully serving in any way that she could. She has lived a full life, and though I can tease her no more about her height, I will always remember her giving heart.

Blessings on your family,

Lacey (Schoonveld) Buss###imported-begin##Lacey (Schoonveld) Buss###imported-end##
