“ *My deepest sympathy on your loss of Madonna. We went to high school together and had reconnected the past three years on Facebook. She was able to attend our last reunion for a short time. She looked wonderful but said she was exhausted and I could see it in her eyes. I was happy to see her! Rest in peace. Madonna.*

“ I woke up today, thinking of you on your birthday, ran to FB to wish you a Happy Birthday. Hoping you would see it and know think of you often. My grandma often asks about you but I have no news to pass onto her from you. Sadly I, while browsing the newspaper, came across your picture(hoping it was the birthday section) realizing it was not. I grew up with you and loved you as my family, we talked and laughed and I always looked forward to seeing you when coming back to Illinois. I will never forget our trip to Cali to visit you when younger and who would have guessed I would live in Cali and you would be back in Illinois. You are an amazing person and will forever be in my heart.
