“ We'll never forget her bright smile, and we'll always remember the rich conversations. I'll never forget spending time with her and learning to knit. She's loved and missed. We just wish we could be there.

“ We met your parents at family funerals and always enjoyed talking to them. i¿½There are so few relatives on the Streeter side of the family, it was always a joy to meet one. They were a delightful couple. i¿½You have our sincere sympathy.##imported-begin##Richard and Peggy Streeter##imported-end##
