“ It is with great sadness that I write this tribute to my Aunt Marcella.

Aunt Marcella was a wonderful mother,
grandmother, and aunt. She selflessly devoted her life to her family.
Almost to a fault, she always put her family?s needs before her
own.

Aunt Marcella was fun, and truly a kid at
heart. I have many fond memories of spending time with Aunt Cella.
Boy, could she ever kick my butt at Nintendo 64.

All in all, I just wish that I could have spent more time with Aunt
Marcella before she passed; although, I know that I am lucky to
have had the little time that I was able to share with her. She will be
missed greatly.##imported-begin##Rachel Moledina##imported-
