“ *Mary, I will never forget all of the creations your mom could make. A handy woman with yarn was she. All the times I was over just hanging or getting ready for a night out or for choir events. Your mom was so supportive of you and your friends. She had such a wit too her that sticks in my mind. I never knew if she was kidding around or was she really serious. She was loved and will never be forgotten. My love you and the whole family.*
