“ Lee and I were so sad to hear of Maggie's passing. Please know we will be thinking of you all on Saturday. Sorry we couldn't make it. Lee remembered that he bought his first car from Maggie. It was a 48 Plymouth green coup. He was 15 and couldn't drive yet. He had the car before he had his license. I remember going to the house almost every Saturday and BINKY and Kenny played together. Your mom liked her tomato juice and beer. Such good memories. She will be missed. Love to all, take care of each other
