“ So sorry to hear of Margaret's passing. She was a fine lady always smiling. I always called her "shorty." She would smile and call me "longey." We really miss seeing her at St. Joe"s. We will always remember her.

“ *I visited your mother every time I came to Illinois, for the last three
or four years. What a privilege it was to get to know her. She shared
many stories about growing up and did we laugh. She appreciated
and loved you all so much. She said she thanked God every day for
all of you, children, grandchildren, and great grandchildren. I will
never forget her, and I will be praying for all of you*

I am so sorry to hear of Margaret passing. I remember when we worked the manna program together after school. We would take care of manna orders and had a good time discussing our family life.
