“ Marge - Knowing you for over 30 years, we have seen each other's ups and downs. I will so miss our talks around your kitchen table. We seemed to be able to vent to each other and always meshed easily. We had some great times getting to know each other, while being around the bonfire at Lahners' house. I would put Adam in bed and since the monitor didn't reach that far, run back every half hour to check on him. We had some great times! Birthdays were always fun in October, celebrating Walter's with both of the boys' birthdays! I know you are happier now, being back with Walt, and I'm so glad you are out of pain and discomfort. But, it will be very hard not to truck over and come see you, as a 'back-door neighbor'. God bless and Rest in Peace, until we see each other again. Mileen
