“ I always remember your Mom as so very kind to me as a young person. She encouraged me to go into the nursing profession. I followed her advise and the profession has been good to me and one of the decisions that I never have regreted.

My sympathy to all of you.

“ I am very sorry about the loss of your mother. Your mother was such a beautiful person. She inspired me in many ways and gave me great advice. I have thought of her so many times through the years. She was my sponsor when I became catholic, and she was the best neighbor I could have ever asked for when I lived by her on May street. I know she surely deserves her place in heaven and she will always be remembered.
