“ Dear McKean Family, my condolences on the loss of your dear mother. I know she loved and cherished her children, grandchildren, and great grandchildren with all of her heart. The love of her family is what kept her going through all of the difficulties she faced in the last years and months of her life. Marianne was always a free spirit, and it was always so much fun to have a conversation with her. You never had to wonder where she stood on politics, religion, and how much she loved her family. No subject was off limits, and she was always eager to share her views with any of us who would listen. She was a dear sister and friend to Rudy and me, and loving aunt to our children. She will be missed by all of us. Rest in peace, Marianne, and may your family find comfort in their memories of you. My thoughts and prayers are with all of you. Aunt Kathy and Family
