“ We want to send our deepest sympathy to George and all the family of Marie. She was a special friend as her husband Ray was. Our Parents, Telio and Florence Palazzini were friends with Ray and Marie years back and would visit together in Essex and the Kankakee area. Know we remember how kind your parents were George and the good times our parents all shared. God Bless you all with peace and comfort during this difficult time.##imported-begin##Dan and Marsha Palazzini Ford##imported-end##
