“ Sincere gratitude to everyone for their hugs, compassion, sympathy, and loving comments during the loss of Mom. It's so hard to fathom not being able to hear her voice anymore or see her. Having good friends and close family has been an immense help.

“ I went to B.B.C.H.S. with Allen and he has always been a good person and so I knew he had to have a good set of parents and if I would have met his ma or dad it was only one or two times but yet my heart goes out to Al and his wife and to all family members at the lost of your love one and you have a good picture in the obituary.
