Marilyn my friend for 48 years. I'm going to miss our afternoon calls. We laughed and cried and always talked about the old years. Be looking for a Carsons so we can go shopping again. I know you're not in pain now. I will never forget you. Sandy (no legs) just our private joke.

We would like to sincerely express our gratitude for all those who attended Marilyn's services including those who wanted to attend but were unable.

Many loving memories were shared by all throughout the day. The massive space that Marilyn filled in all of our lives just cannot be replaced. We will all remember her forever!

Myself, Lisa and Eric, her daughter and son, Angela and Kenny, my daughter and son and the included families within, express our deepest gratitude to all.

Affectionately, Ken Zydek
