“ Dear Mike and family,

I am so sorry for the loss of your mother and glad to have met her son, Michael. I know he loved her and cared for her deeply as she will be missed by all. I am sorry that I didn't get to know her but I am so happy that we are dating and I am proud to be your "girlfriend" and will be there for you always. Just take one day at a time, Michael and I will be here for you no matter what. I know that Marilyn raised a good son by the way that you treat me with respect, kindness and lovingness and that she would be proud of you for that. I will be here for you and your family no matter what as I look forward to being your girlfriend now and forever. I am so happy that we found each other; you are what I have been looking for and I am so glad that we found each other. Your mom is in heaven smiling down on you right now knowing that you are happy and are truly a gentleman!!! I look forward to sharing my life with you and getting to know your family as well. You are the best, Michael and I am here for you always.

“ Mike - I did not know your mom, I had only met her one time, but I knew how devoted you were to her. ĩ½She must have truly been a wonderful person to have raised such a loving son. ĩ½Our hearts and prayers go out to you and your dad, I know he will miss her. The days ahead will not be easy, just know your mom is in a much better place, no more wheelchair and free from all pain. ĩ½As Alysa told me after burying her second baby, "God is creating a quilt, we only see the back side, He sees the beauty of the front of the quilt and someday we will too." ĩ½Any time you need a motherly shoulder, Mike, know that I am there and you are always welcome. - Mom Heitz##imported-begin##Angela Heitz##imported-end##
