“ I offer my most sincere sympathies to the children of Marita and their families. She was a powerhouse. She had an endless well of spirituality and energy, yet nothing seemed to ruffle her. As a teenager, it amazed me that she ran a household for 11 other people, yet seemed to be on top of everything at the same time. To her there were no strangers, only friends she hadn't met.

Having lost my own dear mother over 14 years ago, I know that there will be a huge hole in your hearts. I know that she will be looking over you.

I will keep all of you in my prayers. (Kathy, please stay in touch),
