“ *Judy, Tom and the Evans family, you know I am with you in spirit if not in person. I loved your Mother from the moment I met her (when Tom and I went to Park Forest Plaza with her to her bowling night). She was always ready with a smile and a laugh and I cannot imagine not having her in my life, just I cannot imagine never having all of you in my life. To say what that has meant to both my family and me cannot be said in words. I will never forget any of you, and only hope that I have been a good friend to all of you. I miss your Mother, your Father and Rob daily. Thanks for sharing them with us through all that they did for my Mother. We love you always, Kevin and Linda Davis and family.*
