“ I knew Micki for years as part of Riverside - 1st as an employee who saw her as a volunteer in the South Lobby & the last 7 as a fellow volunteer after I retired. I would always come down the escalator from the Pavilion into the South Lobby on Thursdays & there she wd be, always smiling & we wd chat a few minutes before I started my shift in Hospitality. I will miss her. She was a gift to Riverside.

Mickey was a faithful volunteer at Riverside Medical Center for many, many years. As Director of Volunteers and Gift Shop manager, I kept in touch with her and appreciated her presence at the Reception Desk. She will be missed by many.
