“ Marg you were a great friend. We remember buying our first Lincoln from you & Irish back in 1985. You have been a wonderful friend ever since. We lost contact with you for awhile and then low and behold we reconnected at Church and it was as though we had never been apart. You have been so sweet to me and my husband and had the best personality. Always so jolly. Love You Marge. You will be missed. GOD SPEED.

“ I remember when I first started out in the homecare field in 1997 and Phyllis always talked about her Mom's famous peanut butter fudge. She often stopped by office and was a very kind person. She will be missed. My thoughts and prayers to the entire family during this difficult time.
