“ *Marjorie Wheeler will be sorely missed by the Boswell family and the happiness she enjoyed coming out to the farm and her flowers that she planted down at the rock garden will always be a reminder of her. Always love ya, Marge.

“ *Dear Wheeler Family, I have had the great privilege of working with Maggie at Presence Home Care. She was always so kind and welcoming. She made me feel right at home when I started at the office. I never saw her cross or exasperated with my many questions. And I had quite a few. She truly was a "Mother" to everyone and cared about everyone. I am sure she is at peace now. My deepest sympathy to the entire family. Kindest regards, Janet Culkin*

“ I met Marjorie when she worked at Kankakee Terrace and I worked for the State of Illinois and monitored the facility. I liked her from the start. She was friendly, very helpful and funny. She really cared about people and was very faithful in her love for the church. We had many conversations about that. She was very sincere in her dedication to Maternity and served as a great role model for someone who lived her faith. I really liked Marge and know that she had a lot of difficult things to go throughj. I hope she is at peace now. To the family: My thoughts and prayers are with you. Virginia Shrove

“ Amy, Wendy & Rhonda ~ You mom was such a special lady not only to you but to her many friends.....thanks for sharing her with me! She will be missed by so many as we each have a special place in our heart for her and the memories we hold dear. She always had a smile or kind word for everyone no matter the pain that she was dealing with. Just a few memories.....chocolate covered brownies, homemade breads, stories shared with a cup of hot tea or maybe even a glass of wine. May she now fly like a butterfly.....beautiful & free! I will miss my special friend! Love you Maggz!

“ The most positive, upbeat, good-humored, REAL person I've ever known (she was like a 2nd mother to me). I will miss her something awful. But, I also know that she endured much physical pain and suffering in this life and now, she is in a place that's pain-free and full of peace and love. For that, I am eternally happy and grateful! I'm so blessed to have known her for the past 30 years!

Wendy, Amy & Rhonda, Your mom was a very special lady. I remember your mom sitting in the front yard on the swing reading or just enjoying the fresh air. She always had a smile. My thoughts are with you and your familys thru this hard time.
