You are well-loved and will be so deeply missed. I am glad your loving family was at your side as you entered into new life. Rest well in, much happiness, joy and peace, my friend.

Sure am going to miss my fb buddy, and my cheerleader to keep going as ill as I was. Sure wish I could've done the same for you. So happy you are no longer in pain and was blessed to meet your grandson, Brooks. FYI, I saw how much you're loved by Grant your son and Your sister Linda. They never left your side. ❤️
